

# 11

# ISABC

International Symposium on  
Applied Bioinorganic Chemistry

2-5 December 2011  
Barcelona, Spain

Organizers

[www.qi.ub.es/isabc11](http://www.qi.ub.es/isabc11)

**April 1<sup>st</sup>** Opening of **Abstract Submission** and **Registration**

**September 15<sup>th</sup>** Deadline for **Abstracts Submission** and **Early Registration**

**October 15<sup>th</sup>** Notification to authors about **Abstracts Acceptance**

## TOPICS

- Metal-based drugs (diagnosis & therapy)
- Metalloproteins: mimetic compounds and applications
- Environment and toxicological aspects of metal ions
- Metals in Neurosciences
- Metal-related metabolic diseases
- Metal-related biomaterials
